

Washington State Department of Social and Health Services
Aging and Disability Services Administration

Division of Developmental Disabilities

Mission Statement

The mission of the Division of Developmental Disabilities (DDD) is to endeavor to make a positive difference in the lives of people eligible for services, through offering quality supports and services that are: individual/family driven; stable and flexible; satisfying to the person and their family; and able to meet individual needs. Supports and services shall be offered in ways that ensure people have the necessary information to make decisions about their options and provide optimum opportunities for success.

These core values guide us in fulfilling our mission:

- **Individual worth and development**
- **Continuity and coordination of services**
- **Community participation and partnership**
- **Respect for employees**
- **Quality services and performance accountability**
